NO 5 LEVI BOOTIES

FOOT INSTEP

K1 row from RS.

Work (7) 9 (9) 11 rows rib-pattern back and forth as follows:

NR 11 ARLO BONNET

Join work and insert marker between first and last st = beg of rnd, ~~and knit edge sts further~~. Edge sts are now included in the pattern and worked as st-st.

Work 5 rnds rib-pattern, end with rnd 2 so next rnd is a rnd with k sts only.
